Contents of the tasting visit: :

The guided tour takes place in the wine-making cellar where each vintage of the Château is born with ever greater care, mastery and enthusiasm.

The visit continues in the ageing cellar where the barrels are carefully lined up to create a unique alchemy and where evocative scents are wafting around.

We will finish with a tasting of our vintages in this exceptional place.

Visit by appointment only, duration of 1 hour.
Groups and individuals by appointment.
